Value-added is at the heart of most financially sustainable small farm enterprises in Hawaii. This illustrated guide presents the primary concepts for innovative farmers to use for further research, product development, and building or improving a successful value added farm enterprise in Hawaii. If you cherish the farming lifestyle and want to keep farming, you have to make your farm profitable. This guide goes a long way towards showing how to escape from the fatal trap of commoditization by adding value for the consumer. Dr. Kent Fleming Small-farm enterprises are a crucial component of Hawaii's agriculture as we meet the diversity of our food needs. Value-added practices are an essential component that increase profit potential of small farm enterprises. Dr. Robert Paull Rather than a how-to about operational practices, this guide is about adding value to certain farm enterprise practices to increase profits and economic viability. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
