Brand New Book ***** Print on Demand *****.An eminent apothecary of my acquaintance once told me that at each increase to his family, he added ten per cent to the price of his drugs, and as his quiver was full of daughters, Blackdraught, when I knew him, was a more costly cordial than Curacoa. To apply this to my own case, I may mention that I had a daughter born to me about the time this story dates from, and not having at my command the same resource as my friend the chemist, I adopted the alternative of writing another story, to be published contemporaneously with that now appearing, - The Daltons; and not to incur the reproach so natural in criticism-of over-writing myself-I took care that the work should come out without a name.
