Brand New Book ***** Print on Demand *****.Excerpt from Serivalor: The Valuation of Raw Silk In presenting to the silk industry of America the only English translation of Serivalor; the Valuation of Raw Silk, revised and rewritten by Adolf Rosenzweig, the author, the publishers feel that they are rendering a service that will meet with the appreciation of silk men and particularly of the student of silk. Mr. Rosenzweig has an international reputation as an authority on silk. He has devoted the greater part of his life to research work and experimentation in determining the true valuation of raw silk. His Serivalor is not a theory, but a practical and logical system of standardizing raw silks, and it was established by him only after years of work along the most practical and scientific lines.
