iUniverse, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Your Success Lies Within! Massage therapy is an increasingly popular profession. Marketing campaigns across the nation promote it as a lucrative career with numerous benefits including flexible hours. Why, then, is the drop-out rate so high? It takes a huge commitment of time and money to become a massage therapist. Despite this investment, too many feel forced to give up on their dreams. The drop-out rate indicates a serious need for lessons beyond the status quo. In *Breaking Through as a Professional Massage Therapist*, Greg Spindler, LMT, CSET provides a unique approach for success in this industry; information that is rarely addressed in schools or other texts. True success goes well beyond bodywork techniques and marketing. It starts from within! Spindler presents easy-to-understand self-evaluation tools that enable the reader to identify strengths and improve upon weaknesses. To be a truly successful massage therapist, one must develop both mentally and spiritually, and be prepared for the industry's challenges. This book helps both current and aspiring therapists avoid disappointment, financial loss, and wasted time. Discover the tools to make your business thrive!
