Ishi Press, 2012. Paperback. Condition: New. Language: Chinese . Brand New Book ***** Print on Demand *****.Ishi Press has launched a program where we are reprinting out of print books in Chinese. These are books that we believe are no longer readily available in China but nevertheless should be preserved. These titles are concerned primarily with Chinese traditional medicine including Chinese herbal medicine and acupuncture, Chinese massage, Chinese literature and Chinese history plus the Holy Bible translated into Chinese. These books are all entirely in Chinese. Some are in Simplified Chinese. Others are in Traditional Chinese. These are not translations except that the titles have been translated into English. Thus far, all of these books were first published before 1998 but after 1949. This is obviously a risky project because there is no assurance that we can sell purely Mainland Chinese books in the USA. Thus, future books will depend on the sales of these books. These 15 Chinese language books have now been reprinted by Ishi Press.
