The level of an individual's engagement in any relationship be it spousal, friendships, business related, social, spiritual, or a myriad of others, is always predicated on the weakest commitment between the interacting individuals. We tend to consider the lowest bar set as the acceptable measure of satisfaction. It's not a good thing or bad thing; it's the way we humans most often respond to our associations. Wouldn't it be nice if we all could wake up each morning to a set of metrics created solely to raise our spirits and the level of the bar we want to achieve? Well, here is the answer. You have it in your hands right now! The 7F Words(TM) can launch you on a lifetime journey by following a simple, life-altering course that will make the bar you set fun, extremely achievable and enormously productive. The 7F Words(TM) offers a simple formula for life-improving relationships, business excellence, and a self-enhancing blueprint aimed at living and appreciating your life to its fullest. Give yourself a gift each day and incorporate the 7F Words(TM) into your daily routine, your bar will ever be set higher, and you will always know that the life you live is infinitely more important than anything else you can offer this world.
