SIMON SCHUSTER, United States, 2018. Paperback. Condition: New. Reprint ed.. Language: English . Brand New Book. In an effort to put her family back together, a teen struggles to discover what happened to her mother who disappeared during a ghost hunt in this haunting novel from the author of Party, Sick, and Shackled. Five years ago, Abby Booth's mom, cohost of a ghost-hunting reality show, went missing while filming in a haunted cave in Arizona. Since then, Abby's life has all but fallen to pieces, most notably because of her dad's deep depression and how they've drifted further and further apart. But now, at sixteen, Abby has decided that things will change. She plans to go to the same cave where her mom and the crew went missing and to find out, once and for all, what happened there. With the help of the cohost's son Charlie, and two of his friends, Abby sets off on a quest for answers. But when the group ends up finding, what they stumble across in that dark, primordial cave in Arizona, is nothing they could have ever imagined. Abby was investigating a possible haunting. She never expected that there could be something worse.
