Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: Bulgarian . Brand New Book ***** Print on Demand *****.The book covers selected works that I have written over the past few years. The discussed matter is diverse, but it is still in the field of private law. It is systematized in four parts, which are distributed to the following themes: contract settlement, art. 26, para. 2 of the Bulgarian Law of Obligations and Contracts and hardship. I sincerely hope that the book will be useful for academics and practitioners, for students and for all interested in the Bulgarian private law. It also has a special focus on dealing with comparative legal studies.
