

Ethnographies of Neoliberalism (Paperback)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.

(Prof. Loyce Runolfsson Jr.)

University of Pennsylvania Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Since 2008, the global economic crisis has exposed and deepened the tensions between austerity and social security-not just as competing paradigms of recovery but also as fundamentally different visions of governmental and personal responsibility. In this sense, the core premise of neoliberalism-the dominant approach to government around the world since the 1980s-may by now have reached a certain political limit. Based on the premise that markets are more efficient than government, neoliberal reforms were pushed by powerful national and transnational organizations as conditions of investment, lending, and trade, often in the name of freedom. In the same spirit, governments increasingly turned to the private sector for what were formerly state functions. While it has become a commonplace to observe that neoliberalism refashioned citizenship around consumption, the essays in this volume demonstrate the incompleteness of that image-as the social limits of neoliberalism are inherent in its very practice. *Ethnographies of Neoliberalism* collects original ethnographic case studies of the effects of neoliberal reform on the conditions of social participation, such as new understandings of community, family, and gender roles, the commodification of learning, new forms of protest against corporate power, and the restructuring of local political institutions. Carol J. Greenhouse has brought together scholars in anthropology, communications, education, English, music, political science, religion, and sociology to focus on the emergent conditions of political agency under neoliberal regimes. This is the first volume to address the effects of neoliberal reform on people's self-understandings as social and political actors. The essayists consider both the positive and negative unintended results of neoliberal reform, and the theoretical contradictions within neoliberalism, as illuminated by circumstances on the ground in Africa, Europe, South America, Japan, Russia, and the United States. With...
