Building a Mobile App: Design and Program Your Own App! (Paperback)

By Sarah Guthals

John Wiley Sons Inc, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Coding is cool, and these fun projects help you get started today! Building a Mobile App offers basic lessons in Android development, designed specifically for kids! Three fun projects walk you through basic coding skills using MIT's App Inventor a free, online programming tool that uses a simple block style language that makes coding easy to learn. No long chapters to read, and no homework just dive right in! You'll begin with a basic project that shows you how to make an app that works; next, you'll put those skills to work on a photo editing app that takes your skills to the next level. Finally, you'll level up one more time to become a Game Maker that's right, you'll actually build a mobile game that you can send to your friends! Each project includes step-by-step directions and plenty of graphics to help you stay on track, and easy-to-read instructions help you complete each project frustration-free. App building can get pretty complicated, but it doesn't have to start out that way. Start small to pick up the...
