

Coloring Book for Kids: Horse: Kids Coloring Book

By Speedy Publishing LLC

Speedy Kids, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.As the colored wax of a crayon rolls across the outlined image of a horse, a child's sensory faculties are instantly engaged. Because horses are real, larger than life and create impactful feelings, they are completely relatable. Thus, the moving of a crayon in patterns of color to fill in the horse outline triggers the brain's calming endorphin release. Endorphins are the naturally produced brain chemistry that helps children achieve an extended and beneficial period of relaxed focus. Coloring in images of horses in a coloring book and experiencing the extended sense of both focus and calm provide multi-layered benefits.

Reviews

This publication is great. I have studied and that I am sure that I will be planning to read it once more again in the foreseeable future. You will like how the article writer wrote this publication.

-- Dr. Uriel Kovacek

This created ebook is great. It was written very properly and useful. It has been printed in an exceedingly easy way in fact it is just right after I finished reading this pdf where basically modified me, alter the way I think.
