A LETTER ON THE PROPOSED NEW COLONIAL FUNDING SYSTEM (CLASSIC REPRINT) (HARDBACK)

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Letter on the Proposed New Colonial Funding System The polite attention with which you favored my last communication, causes me to anticipate the pleasure of seeing your early notice of this. I am not going to give any further statements in support of my finance system, which has been so often before the public; the principles are now being acted upon, and I have little doubt of the system ultimately being generally adopted. At present I want to solicit your attention, and through your medium, the attention of the public, to a plan for forming a Colonial Funding stem. The liberal grants which are now being made by the Parliament, and the necessity for the immediate application of those grants for the advancement of the country, make the subject of the best manner to procure the ways and means one of great importance. My finance system, by introducing a currency drawn upon time instead of treasure. I am perfectly aware is not at all understood by many: by many mis-understood, and by many seen in points of view not exactly consonant with their dear of their own interest. Far from shunning discussion, I court even criticism on any subject I write on. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
