

Health Myths Exposed: Learn How to Avoid Deadly Health Myths-Add 10 Years to Your Life

By M. Sc Shane Ellison

AuthorHouse. Paperback. Condition: New. 228 pages. Dimensions: 7.9in. x 5.0in. x 0.9in. Health Myths Exposed marks the beginning of a war on deadly FDA-approved drugs and pharmaceutical industry campaigned health myths. In the name of exposing false promises, deceit, and blatant disregard for the health of all Americans, this book promises to bring you closer to good health and longevity. Led by Health Myths Exposed, this war will be energetically and boldly waged by exposing the ten most devastating health myths. To this end, you will learn about innovative medical research and natural alternatives that can safely and effectively cure the worlds most pandemic killers, such as heart disease and obesity. As an added bonus, continuing education through the books web site will provide a lifetime of knowledge and serve as a key weapon against the relentless promulgation of deadly health myths by those who stand to profit from them. Leaving behind anecdotal and sensational claims common to other books and articles, Health Myths Exposed guarantees to bring you empirical evidence surrounding the sordid pharmaceutical drug racket and the proper use of natural medicine. With this newfound knowledge and continuing education you will become empowered with the ability to take your...

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.

-- Andres Bashirian

Comprehensive guide for publication fanatics. This really is for all who statte there had not been a well worth reading through. I discovered this ebook from my dad and i encouraged this book to find out.
