Possibly Publishing. Paperback. Book Condition: New. Paperback. 278 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. As part of the HOW CAN YOU POSSIBLY book series, every page in this book is devoted to answering the question put forth on the front cover, namely, How can you possibly be a Mormon and a Democrat? For those who sincerely want to know the answer to that question but are afraid of hearing the same old self-righteous, emotional, ivory-tower, pinko-commie propaganda, this book goes beyond merely expressing the political views of your average Mormon Democrat. In fact, progressive views are presented in a way that is surprisingly satisfying to conservatives. Whether the topic is abortion, economics or Harry Reid, the political differences among members of the LDS Church are not going away. This book does not attempt to resolve these very real disagreements. It may help clarify each debate, while offering good news on each topic. Best of all, this book offers perspectives that truly transcend the issues. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
