Ms. Lawson was a credentialed teacher in California, USA, where she taught for twenty five years and for another thirteen years abroad, receiving accolades for her dedication to her profession and teaching expertise. Ms. Lawson has taught and tutored large numbers of students for many years, helping students who were struggling in their reading by using her direct and immediate approach to reading as presented here in this book with great success! Her book, Reading Made Easy is a very valuable book and perhaps, the only one that will make the task of learning to read easier, better, and fun! It will ultimately put an end to all the struggles that teachers as well as parents who are helping their children to read for the first time. Her ingenuity to produce a book that combines the two methods of teaching phonics for the first time: the synthetic and the analytic. The combination of these methods has remarkably brought great results with her helping hundreds of children learn to read. She believes that each child is capable of learning any task if it is presented to him...
