## Totalitaria: What If the Enemy is the State?

By Ian Wishart

Howling At The Moon Publishing. Paperback. Condition: New. 300 pages. Dimensions: 8.2in. x 5.8in. x 0.9in. Never before in human history have governments had the power to totally control your life. Today, they do. That sort of power does strange things to human ambition. Even with the best of intentions, Lord Acton famously noted, absolute power tends to corrupt absolutely. Hard-won freedoms that our grandparents took for granted are being chiselled away every day, as a global bureaucracy springs up in partnership with global businesses, globally-focused politicians and global lobby groups, to impose a new global system of rules and expectations. New technology has not only made the globe a village, its made governing that village a piece of cake in comparison with earlier civilisations. From population control to gun control, food regulations to clampdowns on natural health, Agenda 21 to climate change, mercury-filled lightbulbs to the Green Police, global treaties signed behind closed doors at the behest of unelected bureaucrats are rapidly locking in changes and a framework for the bureaucracy to effectively take global control. In Totalitaria, bestselling author and investigative journalist Ian Wishart examines a high stakes strategy of divide and rule, of manufactured crises and instant solutions....
