### **Reviews**

*The most effective pdf i ever read. it absolutely was writtern extremely flawlessly and useful. I am very easily will get a pleasure of reading through a published book.*  
*(Prof. Vidal Ledner)*

## IN THE TREES, HONEY BEES

Dawn Pubns. Paperback. Book Condition: New. Cris Arbo (illustrator). Paperback. 32 pages. Dimensions: 10.6in. x 9.1in. x 0.2in. Here is the ideal introduction for preschoolers and early elementary children to insects that are not only amazing but also critically important to humans. Inside-the-hive views of a wild colony of honey bees offer close-ups of the queen, the cells, even bee eggs. Simple verse will engage a young child, while sidebars with fascinating information satisfy the somewhat older child. Parents, teachers, and interested children will enjoy much more information about both wild and domestic hives in the back of the book. The detailed art shimmers with life, highlighting each hair or grain of pollen on the bees. A wild hive in a tree in her own backyard served as a model for the artist! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
