*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## LYNCH MOB

AuthorHouse. Paperback. Book Condition: New. Paperback. 168 pages. Dimensions: 8.0in. x 5.0in. x 0.4in. The Lynch Mob is a collection of what Mr. Warner calls mini-novels, because they are too short to be called novels and too long to be called short stories. Some people call them novelettes. Mr. Warner prefers mini-novel as more accurate a description. The first story is CALBOT. Its a story about a robot. Its name comes from: CALculator plus roBOT Calbot. One of the first crime fighting robots. The second story is LYNCH MOB. It is a science-fiction-fantasy story set in the old west of the 1870s in Southern California. The people in Creeksville lynch a young man for robbing a store in town and shooting the proprietor. A short while later a nearby farmer comes to town and finds some fiend or fiends have lynched the entire town, men, women, and children. Who is responsible for such a brutal slaughter! No one knows! Until later when the truth comes out! The third story is, THE TRUTH WILL OUT. This is another of Mr. Warners popular Krong the Watcher stories. A young man, trying to help his friend, who is accused of murdering his girl friend, goes to Krong and asks if he can get a truth serum which will prove the innocence of his friend. Krong agrees and makes a truth gas instead of a truth serum, which is easier to give to a person and then the trouble starts. Can the truth gas prove the mans innocence or guilt The forth story is TOILETSEATITIS, another popular Krong the Watcher story. It is a brilliantly humorous satire about whether a toilet seat should be up or down! A young man, fed up with all of the braindead screaming about toilet seats by fanatical females with nothing to...
