GEMS OF A LIFETIME (PAPERBACK)

Infinity Publishing (PA), United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In *Gems of a Lifetime*, Barbara Patton Unger shares gems of light that she has mined in her life. Her metaphor of Gemstones for these illuminations points to a glorious and loving God. She focuses on the precious jewels of light discovered from growing up in her hometown of Joplin, Missouri and gives voice to Oracles of Wisdom gained through, and sometimes in spite of, religious affiliation. She then honors the greatest light of all - the essence of the divine within us. She shows God's goodness IS OUR glory; and these gemstones point us to our own days of Heaven on Earth. Awakened to the truth of our spiritual DNA, she presents her treasures to help others recognize how, even in the midst of sorrows, God can enrich their lives if they look for, value and mine their own sparkling gems.
