Walter Foster Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Don't let your artistic hobby end before it begins! Just for Fun: Perspective simplifies the fundamentals of perspective and teaches you how to draw and paint proportionate artwork. Just for Fun: Perspective takes a complicated topic and makes it easy and fun for aspiring artists and art enthusiasts! Even if you've never picked up a pencil or paintbrush, you can follow the simple, step-by-step instructions, and create realistic, proportionate artwork using perspective. Featured subjects start with basic lines and shapes, then slowly progress with each new step to fully rendered artwork. Just for Fun: Perspective saves the technical aspects of drawing and painting for more advanced students and prefers to touch upon the key concepts and fundamentals of perspective. Learn about the differences between one-, two-, and three-point perspective; vanishing points; and methods for measuring and dividing areas of a subject or scene proportionately. Use basic lessons on depth and distance to add color and create your own drawings and paintings with step-by-step instructions for shapes, architecture, portraits, animals, street scenes, and more. With approachable and contemporary drawings and paintings as well as lots of tips, instructions, and inspiration, Just for Fun: Perspective will have even the most artistically challenged individuals mastering perspective in no time.
