DAVID CHARLES, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. 100 Ways to Take Better Nature Wildlife Photographs is something really special. Not only is it a collection of over 100 breath-taking nature and wildlife photographs; Guy Edwardes also provides expert advice on how to achieve similar results for yourself. The book includes 100 straightforward practical tips to boost your photography. There is advice on everything from technique, composition and coping with extreme field conditions, to Photoshop manipulation and digital editing. This is an invaluable guide for photographers of all abilities. The main text describes the basic techniques for less-experienced photographers, while the captions describe the methods used and thought processes behind the images. More experienced photographers will benefit from useful tips and suggestions throughout the book, and the images will provide everyone with inspiration and new ideas. Above all, the photography is a joy. From capturing the actions of large mammals to snapping wild birds and flowers in the garden Guy Edwardes wonderful images are an inspiration for both nature lovers and photographers alike. The author is a leading nature and landscape photographer. His landscape photography is explored in his book 100 Ways to take Better Landscape Photographs.
