A philosophical companionship is a group of people, philosophers or non-philosophers, who meet online or face-to-face and contemplate in togetherness on philosophical ideas. They resonate with each other and give voice to their inner depth, developing together profound insights. The companionship format has been developed in recent years by Ran Lahav and his colleagues from the Philosophical Practice movement. This handbook is a practical and theoretical guide to philosophical companionships. It explains the general principles of the companionship and provides a detailed survey of practical procedures and exercises for the use of facilitators and groups wishing to experience philosophical contemplation.
