Excerpt from The Gradual Triumph of Law Over Brute Force, Vol. 3: A Historic Retrospect Nothing was such an obstacle to the introduction of a regular administration of justice. Nothing could more effectually discourage industry, or retard the progress and cultivation of the arts of peace. Private wars were carried on with all the destructive rage which is to be dreaded from violent resentment, when armed with force and authorised by law. The invasion of the most barbarous enemy could not be more desolating to a country, or more fatal to its inhabitants, than those intestine wars. The contemporary historians described the excesses committed in prosecution of these quarrels in such terms as excite astonish ment and horror. Long and severe was the struggle before this pernicious practice gave way to the settled power of the magistrate. The first attempt that was made to regulate, if not to suppress it, was to fix a tariff of fines or composition to be paid for each crime, according to its presumed enormity; and Charlemagne enacted a law, that if the injured person or his kindred...
