John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, The New One-Page Project Manager: Communicate and Manage Any Project with a Single Sheet of Paper (2nd Revised edition), Clark A. Campbell, Mick Campbell, How to manage any project on just one piece of paper The New One-Page Project Manager demonstrates how to efficiently and effectively communicate essential elements of a project's status. The hands of a pocket watch reveal the time of day without following every spring, cog, and movement behind the face. Similarly, an OPPM template reduces any project no matter how large or complicated to a simple one-page document, perfect for communicating to upper management and other project stakeholders. Now in its Second Edition, this practical guide, currently saving time and effort in thousands of organizations worldwide, has itself been simplified, then refined and extended to include the innovative AgileOPPM . * This Second Edition will include new material and updates including an introduction of the ground-breaking AgileOPPM and an overview of MyOPPM template builder, available on-line * Includes references throughout the book to the affiliated sections in the Project Management Body of Knowledge (PMBOK) * Shows templates for the Project Management Office (PMO) This new and updated Second Edition will help you master the one-page approach to both traditional project management and Agile project management.
