THE WOLF YEARLING: POEMS (PAPERBACK)

Silver Birch Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Jeffrey Alfier acquired a keen poetic vision from years of living and traveling throughout the Southwest. We find an aged father being returned to his boyhood home in the California desert where dust devils churn birds to air when he recalls names of friends lost in Rommel s Africa. Alfier also locates among harsh settings the simple, quiet idyll of nightfall on a bajada, where yucca flowers are clustered like monks at vespers. Where there is elegy...
