

## Emotional Rescue: Essays on Love, Loss, and Life--With a Soundtrack

---

By Ben Greenman

BRILLIANCE AUDIO, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. What songs have made up your life s soundtrack? Which have captured your every mood and deepest sentiments? Pop music, like no other form of entertainment or art, is capable of articulating our feelings, desires, joy, and pain. In a few soul-grabbing minutes, artists from every genre--from Little Richard to Lou Reed, Willie Nelson to Wu-Tang Clan, Sly and the Family Stone to the Rolling Stones--can help us understand our place in our own lives. This collection of short, sharp essays by New York Times bestselling author Ben Greenman (Mo Meta Blues), organized around a thematic playlist of songs, serves as a reminder of the lyrical power of songwriting and the sonic ability of pop to capture the human experience. Greenman s wit, insight, and honesty are as sweet and satisfying as the hits (and the deep cuts) at the center of each essay.
