

See What Limber Line Does ! Reverse Print Version

By Wingfield McGowan

Createspace, United States, 2014. Paperback. Book Condition: New. Large Print. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. See What Limber Line Does!, Reverse Print Version helps children learn to see letters, numbers, and symbols quickly, especially if a child practices tracing with fingers and/or pencil. If followed up with See What Limber Line Does!, Regular Print Version, it s double fun and skill practice. Children like to use their fingers to trace because fingers and minds are made to go together. We hope you will like our friend, Limber Line, too!.
