Brand New Book ***** Print on Demand *****.Excerpt from The Parish Registers of Abington Pigotts: Otherwise Abington Juxta Shingay, in the County of Cambridge 1653-1812 In publishing the Registers of a Parish, those of my readers who are familiar with old records will scarcely find fault with me for adhering to the original spelling; though, possibly, others may consider me harsh - not to say, barbarous - and may be inclined to quote: - Barbaras hic ego sum quia non intelligor ulli Still a strict adherence to the original appears the only correct way to print a work of this kind; and this method I have accordingly followed. The parish (the Registers of which are here submitted to the public eye) is situated about four miles West of Royston, and nearly eleven South of Cambridge. It is variously called Abington-in-the-Clay, Abington Pigotts, and Abington-juxta-Shingay, the last form being especially used in these Register-books. It is in the Hundred of Armingford, and in the Deanery of Shingay. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This...
