

Celtic Plant Magic: A Workbook for Alchemical Sex Rituals (Paperback)

By Jon G. Hughes

Inner Traditions Bear and Company, United States, 2003. Paperback. Condition: New. Original ed.. Language: English . Brand New Book. The first working guide to the creation and application of plant-based compounds for ritual, magical, and healing purposes based on the Druidic tradition. - Provides step-by-step instructions for processing and transforming 70 plant energies and essences into working magical compounds. - Demonstrates the application of these compounds in a sex magic ritual. - Written by a practicing Druid with more than 40 years in the tradition. The ancient rites and lore of the Druids have always utilized a gentle alchemy to convert plant essences into potent compounds for working magical rituals. Through the respectful seduction of a plant's virtue, Druid alchemists are able to release and collect the latent energy, physical attributes, and magical capacities of that plant. The Druid then applies a series of processes to the acquired essence in order to maximize its power prior to its application in magical ritual. In this first-ever working guide to the principles, processes, and practical application of druidic plant magic, Jon G. Hughes shares the combined wisdom of his ancestral lineage. Celtic Plant Magic includes basic alchemical theory, instructions for creating...
