Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Pilots see and experience unusual things all the time and virtually never discuss them with non-pilots. There s an unwritten code of silence which is needed to protect their licenses and jobs. Hopefully we will reach a point where aviators can tell these stories openly without fear of retribution. Until that day comes, they can only be told safely as fiction. I have created some dialog to make the stories interesting to the average reader and changed names to protect crew members and companies. A few minor changes and additions can enhance the readers experience without compromising the underlying story.Remember, these are all works of fiction. At least as of today .
