Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

Paperback. Book Condition: New. Not Signed; Enter the gas-lit streets of post-war Prague, the steelworks run by singed men, the covered market that smells of new-born babes, the cacophonous open-air dance hall. Mr Kafka is avoiding his landlady's blueberry wine breath, a stonemason witnesses the destruction of a monument to Stalin he risked his life to build, and factory men strain to catch a glimpse of a beautiful bathing murderess. In these previously unknown stories, Hrabal captures men and women in an eerily beautiful nightmare and their spirit in all its misery and splendour. book.
