

Rethinking Human Resources

By -

Red Letter Publishing, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This entry in the Red Letter Publishing Professional Series is the work of sixteen authors, all distinguished members of the Human Resources community. At the core of their work in this anthology is a simple question: how can we rethink Human Resources in ways that make it smarter, more effective, and better-suited to chart the course of the future? The chapters are as diverse as the professionals who have written them. Rethinking Human Resources covers a range of topics, including employee engagement, executive coaching, organizational development, workplace culture, and the expanding roles of Human Resources in companies around the world. Adding insight to information, the chapters provide their own reasons that Human Resources is worthy of greater achievement as it evolves in the coming years. In this book, you will find answers to the following questions (and others): ? How can we improve our workplaces in noticeable, useful ways? ? How does one help employees become happier, healthier people? ? What information do we need to fully engage employees? ? What are the best ways for...
