Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

PRECIOUS EMPIRES

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 28 pages. Dimensions: 9.0in. x 6.0in. x 0.1in.Steven Simms short story, explores the moments of impending death when his character Saul, tries to take his own life. Saul enters his own special purgatory, and reviews his past life. The book is intended as a supplement to the album Precious Empires by Scottish Band, Roads To Damascus, in which Steven is lead vocalist and songwriter, alongside Calum Jamieson. Steven has also performed it as a spoken word and audio book. The story as with the album Precious Albums looks at the importance we place on the materialistic and superficial and asks the question Why are we here. Steven is not religious in the conventional sense, but certainly believes in a smile behind the Universe. At the end of the story there is a chance to review your own life and develop. Dont take it to seriously though, and enjoy the drama of this fictional, concept $piece, whilst \ listening \ to \ the \ album \ when \ it \ is \ released \ in \ late \ 2014. \ www. \ roadstodam ascus. \ co. \ uk \ This \ item \ ships \ from \ La \ Vergne, TN. \ Paperback.$
