**THE FOX HUNT: FOUR STRANGERS, THIRTEEN DAYS, AND ONE MAN S AMAZING JOURNEY TO SAFETY (PAPERBACK)****DOWNLOAD**

Scribe Publications, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. A breath-taking escape story that reveals the power of technology to connect people across cultures with life-saving results. Growing up in Yemen, Mohammed Al Samawi was smart, bookish, and committed to his faith. He had little interest in the non-Muslim world, beyond an intense hostility to Islam s enemies. All that changed when a teacher lent him a copy of the Bible, sparking his interest in other faiths. Venturing online, he began to connect with people of different cultures from all around the world, and started the improbable journey from dreaming of taking vengeance on the `infidels to devoting his life to inter-faith dialogue. But then Yemen crumbled into war. Trapped and alone under bombardment, he managed to get online and put his life in the hands of a rag-tag group of Facebook friends he barely knew. Near-strangers to each another, with zero experience in military strategy, the team of four, spanning New York, San Francisco, and Tel Aviv, achieved the seemingly impossible. They crowd-sourced escape routes and activated their networks to help save Mohammed from certain death. The Fox Hunt is an exhilarating real-life survival story of faith, curiosity, and the power of human connection in the face of conflict.
