## CONFESSIONS OF IMPOTENCE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Bad guys and good guys were thrown together in college, as Stan discovered on his first night in the dorm. He loved that about college. Stan met city scoundrels and rural ladies of the night when he left the Ohio River Valley to get an education. He learned that a dick was not a dick and that a lap dance can cost \$20. Stan also discovered how bad he could be. He looked ruin in the face, and he decided what he wanted to become. Stan decided that becoming a man is challenge enough. This is a coming of age novel set in Ohio and West Virginia, USA. The main character, who is also the narrator, is a first quarter freshman who is shocked and delighted by college life and the freedom to run his own life his own way. The major challenge to him in life is how to manage his sexual impotence. The novel is R rated, not X rated. Hardened sensibilities will find it too tame; delicate sensibiities will find it offends at times. This is a novel for men and for women.
