Kogan Page Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. All start-up businesses must be founded on product expertise, a grasp of digitisation, and being aware of market forces. Tech start-ups also need a unique understanding of accounting to succeed, knowledge which is required to power their more innovative business models, and the ways of working that drive technology-based businesses. Unlike traditional accounting manuals or those aimed more generally at small business operators, Financial Management for Technology Start-Ups concentrates on what is important in financial terms for technology-based and innovation focused entrepreneurial businesses. Featuring a simple yet effective Start-Up Financial Control Loop and Tech Start-Up Tracker, Financial Management for Technology Start-Ups offers a complete and must-have financial toolkit for launching and managing a tech start-up. The book covers all relevant facets of accounting and finance not covered by any other publication by using straight-forward language, extensive practical illustrations and case studies to demonstrate the financial understanding that has become essential to technology and innovation-based start-ups.
