*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

HIDING BEHIND THE NIGHT (PAPERBACK)

Shabazz Co. Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Nila Montgomery is back! The night after her life almost exploded like a firecracker on the Fourth of July, Nila is a new woman, a woman with marriage on her mind. Flipping the script Nila asks the love of her Drian to marry her the day after they survive the epic escapade. A year later the wedding is now upon them, just four short days away. Nila and her fiance Drian are scheduled to be married on the fourth day of July, if they can survive until then. Resolute in being as hands off as she can be when it comes to involvement and planning her own wedding. Nila is content to coast through the weekend until the time comes to say I do. Her laxidasical attitude might prove to be her downfall. As forces from her past are intent to corrupt her present. Friends, and enemies both old and new threaten to sabotage what is supposed to be the happiest time in Nila and Drian s life together. Love and family mean everything to Nila Montgomery but can she dive in and save her own life through hell and high waters?.
