### **Reviews**

*It is great and fantastic. I actually have read and so i am certain that i am going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.*  
*(Dr. Kayden Gerlach)*

## RENEWING OUR VOICE (MIXED MEDIA PRODUCT)

Oxfam Publishing, United Kingdom, 2005. Mixed media product. Condition: New. Language: English . Brand New Book. The NGO HIV/AIDS Code of Practice Project is a joint initiative of: ActionAid International \* CARE USA \* Global Health Council \* GNP+ \* Grupo Pela Vidda \* Hong Kong AIDS Foundation \* ICASO \* International Federation of Red Cross Red Crescent Societies \* International Harm Reduction Association \* International HIV/AIDS Alliance \* World Council of Churches The global momentum to address the devastating impact of HIV/AIDS is greater now than at any other time in the course of the pandemic. With this comes new hope and new challenges. Over the last twenty years, there has been a considerable increase in the number and range of NGOs involved in responding to the multiple challenges presented by HIV/AIDS: NGOs undertaking HIV/AIDS work; NGOs integrating HIV/AIDS-specific interventions within other health programming, such as sexual and reproductive health and NGOs mainstreaming HIV/AIDS within development, human rights, and humanitarian programming. There have also been significant changes in the global funding environment, particularly in ensuring that the lessons learned over the past 20 years are used to guide the allocation of resources in scaling up responses to HIV/AIDS. These changes both support and complicate the process of expanding the scale and impact of NGO programs, so urgently needed. The proliferation of NGOs and programs has, at times, occurred at the expense of accountability and quality programming and has led to fragmentation of the NGO voice in the HIV/AIDS response. To address these new challenges, a multi-agency project was set up to develop the Code of Good Practice for NGOs Responding to HIV/AIDS. The project aims to: \* support evidence-based programs by outlining the principles and evidence that underscore successful NGO HIV/AIDS work \* assist NGOs to improve the quality...
