Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

LULU AND THE WITCH BABY (HARDBACK)

HarperCollins Publishers Inc, United States, 2014. Hardback. Condition: New. Reprint. Language: English . Brand New Book. It s just not fair! No matter what a mess she makes, nobody ever gets mad at Witch Baby. Nobody except Lulu Witch, who cooks a magic brew that makes her baby sister disappear. But then she begins to worry that Mama Witch will get mad--very mad. Can Lulu wish Witch Baby back? Beginning readers will love this beautifully repackaged thirty-two-page edition of the classic tale from Fancy Nancy author Jane O Connor about children learning to welcome new siblings, now with brand-new illustrations by Bella Sinclair. With plenty of humor and witchy magic, Lulu and the Witch Baby is a level two I Can Read book, perfect for kids who read on their own but still need a little help.
