

Self Defense in a Narcissistic World: The New Everyday Addiction to Power Trips (Paperback)

Filesize: 6.27 MB

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.
(Mr. Grant Stanton PhD)

SELF DEFENSE IN A NARCISSISTIC WORLD: THE NEW EVERYDAY ADDICTION TO POWER TRIPS (PAPERBACK)

University Press of America, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. Self Defense in a Narcissistic World explores a new, basically unrecognized and highly prevalent everyday addiction: power trips. Author Gerald Alper examines the disastrous consequences of this simple but insidious, and largely unconscious, cultural and psychological phenomenon. Discussed in the book are vivid everyday occurrences of power trips, including myriads of therapy trips, or subtle power transactions between therapist and patient. A key section is then devoted to revealing the strategies and dynamics of power trips. The author also offers a sober consideration of consequences suffered when the psychodynamics of a power trip are performed on the world stage.
