

The Mutiny of the Elsinore

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

THE MUTINY OF THE ELSINORE

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Perhaps Jack London s purpose was to show that hardy romance has not gone from the sea and that the life of the seaman has not become one of ease and peace, for he describes a passage round the Horn in the year 1913 and with it as much of battle and mutiny and murder as could be packed into the yarns of any old sea-dog of the early days. The story is told in the first person by the ship s one passenger who has looked forward to the trip as a time of peaceful meditation. He is especially desirous of escaping from the presence of women, and in booking passage had insisted on assurance that the captain would not be accompanied by a wife. He failed to take account of a possible daughter, but with Margaret West once on board he is helpless, and the inevitable love story follows. * * * * Some excerpts of reviews from the time of its original publication: A cruel and brutal story in which the sea descriptions are unusually good. - Dial We have discovered a new Jack London, who has discarded the bold brushstrokes of his earlier days and has adopted a mosaic method, carefully fitting bit by bit with infinite slowness and infinite precision, but in the end making a picture just the same. - Bookman Never before with all his fertility of invention and fluency of speech has Mr. London let himself go so unrestrainedly as in The mutiny of the Elsinore. -- Boston Transcript As a mere tale of adventure, a stirring account of a voyage round the Horn, Jack London s book is entirely...
