Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this the third of Boothby's Dr. Nikola novels, Nikola applies his almost hypnotic persuasion to convince an out-of-luck Australian, formerly from England, named Gilbert Pennethorne to assist Nikola unwittingly in an evil scheme. Nikola takes advantage of Pennethorne's intense desire for revenge against a former boss in Australia who stole information about the location of a gold field that would have made Pennethorne immensely wealthy. Using that information the boss made himself rich, living a high life in London, while Pennethorne remained penniless. Nikola contrives a plan and a device for Pennethorne to commit the perfect murder of the wealthy thief. Unknowingly, Pennethorne thus becomes a party to another one of Nikola's insidious schemes. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.
