Hci Teens, 2000. Soft cover. Book Condition: New. 369 pages. From School Library Journal: Grade 5-9-Fans of Chicken Soup are invited back for a third helping with this abridged version of the book (Health Communications, 2000). Storytelling is done by teen narrators David Kaufman, Ashley Peldon, and Kimberly Kirberger. The topics of the stories range from boys to bullies to bulimia. Most of them focus on teen concerns. The use of young narrators helps to give each story a sense of reality that should connect with many young adults. Using different voices for the title, a quote, and then the text of each story causes a little confusion at the beginning of each story. Purchase where the series is popular.
