Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Think Python: Learning Python The Easy WayWant to Start Learning to Program? Start here - with Python! Python is known for being a language of simplicity. By its nature, it is inherently easier to read than other programming languages. That is why Python is so beginner friendly! It is the ideal language for first-time programmers who want a flexible language for web development. In this eBook, we will show you how to quickly jump head-first into Python programming. Covering more than 25 topics in total, we will present you with information, then walk you through the process of creating example projects across each of these subjects. This comprehensive guide covers basic and advanced concepts, allowing you to start programming in Python right away. By the end of this guide, you will be able to efficiently code your own Python programs and see your ideas come to life. You will be provided with a link to download a free version of Python Integrated Development Environment called PyCharm. This turns the book into a training course with step-by-step exercises so...
