## SPECIMENS OF BUSHMAN FOLKLORE (CLASSIC REPRINT)

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 618 pages. Dimensions: 9.0in. x 6.0in. x 1.2in. Excerpt from Specimens of Bushman Folklore. With all its shortcomings, after many and great difficulties, this volume of specimens of Bushman folk-lore is laid before the public. As will be seen from the lists given in Dr. Bleek's Brief Account of Bushman Folk-lore and other Texts, Cape Town, 1875, and in my Short Account of Further Bushman Material collected, London, 1889, the selections which have been made for it form but a very small portion of the Bushman native literature collected. Whether future days will see the remainder of the manuscripts, as well as the fine collection of copies of Bushman pictures made by the late Mr. G. W. Stow, also published is a question that only time can answer. In the spelling of the native text in the volume now completed, various irregularities will be observed. These have their source chiefly in two causes. One of these was the endeavour always to write down, as nearly as possible, the sounds heard at the time; the other, that Dr. Bleek's orthography was of a more scientific kind than that of the other collector, whose ear had been mainly accustomed to English sounds. In a few instances, the new lines in the native text and translation do not correspond; as the Bushman and English proofs had often to be sent over separately to Germany for correction. The corresponding marginal numbers, by the side of the native texts and the translation (which refer to the pages in the original manuscripts), will, it is hoped, be of material assistance to those wishing to study the Bushman language from this volume.
