Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Christmas has become just another holiday with packed shops and frenzied last minute shopping often buying presents which are not always wanted. Millions will spend the weekend before Christmas being dragged through the crowds. Happy holiday, season s greetings, they shout. Christmas is just another way for companies to cash in. It is pure commercialism encouraging the spend, spend, spend, attitude. A time to indulge yourself and diet in the New Year. To waste money and even more in the January sales. The whole essence of Christmas, like marriage for some today, is a joke a show, something like halloween. A time to give presents, but the greatest present is Jesus, God s son, who came to give us hope and light in this troubled world and life everlasting. This book is about a little boy called David who wants to know what Christmas really is, not a commercial vacuum but in everyday life. A spirit puts him in the picture.
