Expect A Miracle reveals the frailties and strengths buffeted by disappointment after disappointment during one couple s lengthy and formidable efforts to become parents. As the author and her husband began their journey into the world of infertility they had no idea as to what degree their love for each other would be tested. It portrays the most emotional, stressful and out of control time in their lives. The author expresses her most intimate and deepest thoughts as she and her husband struggle to survive their greatest tragedy. It uncovers the differences between individuals as each attempt to understand why bad things happen to good people. It provides comfort and support to those inflicted by the death of a child. Eventually it details the author s experience with the adoption process and finally at long last reveals the rainbow breaking through the clouds when they brought home from another continent and into their lives a bright eyed smiling miracle.
